The Pachamama Alliance Presents

AWAKENING THE DREAMER SYMPOSIUM

Saturday, May 17, 2008

The Symposium explores the link between three of humanity's most critical concerns:
environmental sustainability, spiritual fulfillment and social justice.

If you are ready to be awakened, inspired and moved to action; if you are ready to be introduced to a thriving community of like-hearted, deeply committed partners who are actively engaged in making a positive difference in our community and our planet, we invite you to come to this Symposium.

Participants will gain a new insight into ways we can shape and impact the direction of our world with our everyday choices and actions.
